---

---

---

---

---

**ACCESS TO THE AREA TO BE TREATED MUST BE PROVIDED. POSTING OF TREATMENT AREA WITH SIGNS MUST BE ACCOMPLISHED PRIOR TO THE START OF PEST CONTROL WORK. *All persons who may possibly be expected to enter the treatment area must be notified prior to our arrival.***

For site access, contact person's name and phone number (if different from above information): \_\_\_\_\_

---

---

---

Environmental concerns within ¼ mile (eg. dwellings, water - ponds, ditches, etc.): \_\_\_\_\_

---

---

Additional Instructions: \_\_\_\_\_

---

**Prior to any pest control work, an inspection may be conducted to determine the appropriate action to be taken. A written recommendation from a licensed Pest Control Advisor will be required for all agricultural areas (parks, rights-of-way, etc.).**

Preparation instructions will be provided when the treatment is scheduled. If the location is not ready for service, it will not be treated. *It is the legal responsibility of the IPM Coordinator to convey information regarding the application to anyone likely to enter the treated areas.* This includes staff of the department requesting the treatment, security personnel, and the public.

Please return this form to Pest Management: FAX [858] 694-2186 or Mail Stop 01. Questions? Please call [858] 694-3540. Thank you.
